## NOYES, KLEHM, THAL, DECLINE TO RUN AGAIN

Arlington Heights Schools  
Need Three New Board  
Members

### LONG TERMS OF SERVICE GIVEN

Tomorrow Last Day to File  
Petitions; Candidates  
Slow to Appear

Arlington Heights is sharply up  
against the proposition of nominat-  
ing new members of the Board of  
Education for District 25, the grade  
schools, and electing three.

The three veteran members  
whose terms expire this year, Presi-  
dent B. A. Noyes, Mr. George  
Klehm and Mr. Hugo J. Thal, have  
served honorably for many years,  
doing so despite the lack of salaries,  
and with more or less personal  
inconvenience, but now all feel they  
have done their duty. Mr. Noyes  
has served as President 14 years,  
Mr. Klehm 21 years or seven 3-year  
terms, and Mr. Thal 18 years.

Mr. Noyes, as a business execu-  
tive, manufacturer of dental sup-  
plies, a cultured gentleman of keen  
interest in education, has given the  
schools the benefit of his unusual  
gifts. Mr. Thal, an attorney, has  
been of great value on the board  
these many years, giving gratis the  
benefit of his legal knowledge and  
ability. Mr. Klehm's main thought  
has been the welfare of the boys  
and girls in Arlington Heights. He  
proposed and fought through the  
purchase of three and one-half lots  
north of the east building at  
\$3,000; also the 125 feet including  
the house on Evergreen street at a  
cost of \$385.25; this to provide  
room for expansion of school  
facilities and for playgrounds. The  
park south of the school used to be  
uneven with willows and box el-  
ders scattered over it. Realizing  
the children's need for an open  
place to play, he saw to it that  
the land was cleared and graded  
and planting of elms and shrubbery  
done around the outside, all gratis  
to the district. Instead of buying  
small lots on the hill on the  
south side, he saw the possi-  
bilities of the present South School  
site, then a slough, and it was  
due much to Mr. Klehm that the  
five acre site with plenty of play  
space was bought, filled in and  
landscaped.

Harmony and cooperation have  
existed on the board to a remark-  
able degree.

**Must File by Saturday**  
In order to appear on the ballot  
at the school election April 8, nom-  
inating petitions must be filed on  
Saturday this week, 21 days before  
election. At this writing, no one  
has signified his or her intention  
of running. Petitions should be  
filed with the secretary of the Board.  
Board members holding over are  
Messrs. W. E. Kopplin, Henry  
Martens, Frank Meyer and Howard  
Helm.

### St. Patrick's Party Tonight Sponsored by St. Cecelia Society

Friday evening, March 17, at 8  
o'clock in St. James hall North  
State road, St. Cecelia Choral society  
will sponsor its third annual St.  
Patrick's day party.

As in the past, these chorists  
have worked their hardest to make  
this a real event. Following their  
policy to make this (the only social  
affair during the Lenten season) a  
bigger and better party each suc-  
ceeding year, the committee on ar-  
rangements has provided a splendid  
program.

The usual card and bingo games,  
pivot style, will be augmented by  
the much talked of Fashion Review.  
This Review will feature the milinery,  
gowns, trunks, ensembles and chil-  
dren's wear by the Emerald Shop.  
The footwear displayed will be  
from Hartman's Shoe Store.

In addition to this the Versatile  
Miss Gloria Sandberg of Mount  
Prospect will entertain with fancy  
dance and song numbers.  
Special vocal numbers by Anne  
Donica, soprano, and J. W. Cough-  
lin, tenor, both members of S. C. C.  
society, are sure to please.

### Anti-Hoarding Campaign Desired to Continue

Public response to the opening  
of sound banks since the lifting of  
the nation-wide moratorium, with  
the immediate deposit of millions  
of dollars Monday and Tuesday was  
lauded by many residents of Mt.  
Prospect this week. William Busse,  
Jr., president of the Mt. Prospect  
State Bank, urged all citizens of  
the village and patrons of the bank  
to carry out the same spirit when  
permission was obtained to open  
the local institution. The nation-  
wide anti-hoarding campaign, at the  
instance of President Roosevelt, it  
was pointed out, has been one of  
the important factors in enabling  
the rapid opening of the larger  
banks.

## EDITORIAL

### THE CHALLENGE OF THE PRESENT

Present conditions offer new  
problems and new experiences to  
all of us. Individual hardship and  
inconvenience due to financial  
losses many of us have known in  
times past, but it was personal, not  
universal. We were surrounded by  
persons and institutions not af-  
fected by our individual problems.  
The fact that we saw others go-  
ing ahead gave us courage and de-  
termination to try again. Today  
hardship and inconvenience are un-  
iversal. All of us alike face prob-  
lems that seem colossal. We can-  
not lean on the other fellow, for his  
strength is no greater than our  
own. The shock and discouragement  
is the more severe because only a  
short time ago we were enjoy-  
ing the most luxury and appar-  
ent success which we had ever  
known. We "have seen better  
times" and it is always difficult to  
adjust ourselves to a more re-  
stricted life.

In the face of these new and per-  
plexing problems some have folded  
up and quit. A few have taken the  
short way out, and a much larger  
number have found the strain too  
great and have felt that The Grim  
Reaper was more to be welcomed  
than avoided. It is to the ever-  
lasting credit of America that most  
of us have faced squarely  
front, met the situation with a jest,  
or a silent courage, and carried on.  
A new spirit is creeping into our  
reactions. We have ceased to ask  
"When will it end?" And have be-  
gun to ask "What caused it?"

Six months ago, men were indif-  
ferent, many were passively wait-  
ing for someone to solve their  
problems. Men asserted that they  
were willing to work, and seemed  
to assume that beyond that will-  
ingness to work nothing more could  
reasonably be asked of them. To-  
day we are coming to realize that  
work alone is not the solution; we  
must think as well; think earnest-  
ly, soberly and seriously. Men  
learn from their own mistakes  
and the mistakes of others. If we  
have lost faith in men and institu-  
tions we must seek to determine  
the mistakes of these men and  
these institutions. Perhaps it is  
time that we had a new set of val-  
ues by which to measure men and  
institutions. Nothing is more cer-  
tain than that we are not going  
back to former conditions. The  
America of the future will be dif-  
ferent. We have confidence enough  
to believe that the difference will  
be on the side of better social and  
political government. It will take  
time, thought, and work. It is a  
challenge to all good citizens.

Eyes front! America moves forward.

### WHO IS LEADING THE ECONOMY DRIVE?

The demand for cutting govern-  
ment expenditures, which is being  
made in Cook county by the Citiz-  
ens' committee of Chicago and by  
others, has aroused a storm of con-  
trovery. In January two articles  
appeared in a prominent national  
weekly attacking the expenditures  
for education in America. One  
of them was by the chairman of  
the committee named above. These  
articles have provoked replies by  
such men as President Butler of  
Columbia University and by other  
prominent persons. One of the  
best replies was written by R. C.  
Moore, secretary of the Illinois  
Teachers' Association and appears  
in full in the March issue of that  
organization's magazine. Follow-  
ing is a brief summary of that  
article.

Mr. Moore points out that the  
committee is not a legally appoint-  
ed body but is a self-organized  
group that has, by including bank-  
ers, assumed to control the spend-  
ing of public money. This is no  
thing less than a dictatorship, and  
in the words of a member of the  
group is "government for the peo-  
ple." Most of these men live out-  
side the city, but are dictating the  
government affairs of the city. (It  
is worth noting that the national at-  
tack on the school system was made  
by officials, and without violation of  
the constitution or resort to a dic-  
tatorship.)

They are the ones who wish also  
to get control of the suburban area.  
Mr. Moore further discredits the  
motives of these men by showing  
that they are among the class of  
people that supports expensive  
private schools while opposing pub-  
lic schools, which at present oper-  
ate much more cheaply than the  
others. Moreover these men draw  
enormous salaries (\$60,000 per year  
in the case of the chairman),  
which come directly or indirectly  
from the people. Since the people  
are completely at the mercy  
of the business world, the peo-  
ple has the right to question busi-  
ness practices also. These busi-  
ness men would do well to put their  
own muddled affairs in order and  
leave public affairs to men elected  
to represent the public.

The methods of the committee,  
as shown by the articles mentioned,  
are those of falsification and ex-  
aggeration, continues Mr. Moore.  
The typical teacher was shown as  
one complaining because cuts in  
pay and failure to pay salaries on  
a vacation in Bermuda. She was  
shown as utterly indifferent to the  
welfare of the persons who pay her  
salary. Actually the record of  
teachers, in Chicago itself, has  
been one of helpfulness and sym-  
pathy for unfed students, when  
pay checks failed to appear. It  
was also shown that general  
charges of "frills and fads" and  
extravagances contained no prac-

## AIM TO REVIVE ASSESSING BY TOWNSHIPS

Country Town Taxpayers  
Held Unjustly Treated  
Under New System

Senate bills 257 and 258 for aboli-  
shment of offices of township col-  
lectors and assessors have com-  
manded attention of the executive  
committee of the Suburban Area  
and Country Towns Association of  
Cook County, Inc.

The organization has gone on  
record as proposing a more con-  
structive plan for the handling of  
the assessment and collection of  
taxes in the Suburban towns of  
Cook county.

The association holds that while  
the abolition of these two offices  
may work out advantageously in  
down-state counties, it would not  
be a good thing for suburban Cook  
county, where one township may be  
as large in population as four or  
five down-state counties.

The association opposes the  
abolition of the offices of township  
tax collector and assessor. On the  
other hand it proposes legislation  
which shall allow the collector in  
major townships of Cook county to  
function twelve months out of ev-  
ery year. One major township of  
Cook county is greater in assessed  
valuation and population than some  
individual down-state counties.

In the interests of economy and  
public conveniences there should be  
local collectors without connection  
with the county collector's office, it  
is held. Figures have been quoted  
to show that the expense to tax-  
payers is at least three times as  
great for taxes collected by the  
county collector as for collections  
through local collectors under pres-  
ent laws.

That there is greater conveni-  
ence in having the tax collector's  
office in the township is demon-  
strated by experiences of many  
suburbanites going to the county  
building to pay taxes.

### New Assessment Plan Fails

It is generally agreed in the sub-  
urban area that the first assess-  
ment that has been spread under  
the direct supervision of the county  
assessor has been a failure. It is  
also generally agreed that at  
least one-third of the roll spread  
has been erroneous. It was an-  
nounced that a twenty-five per cent  
cut had been made in the assessed  
valuation throughout the county,  
but the present assessment has  
brought thousands of cases to  
light where the assessed valuation  
was twenty per cent higher than  
the previous assessed valuation.

The association believes that the  
only way to have a just assessment  
of property is to have local men  
who are acquainted with values fix  
a fair value on the property.  
This assessment should be sub-  
ject only to equalization with  
other townships in the county by  
the Board of Appeals. It is pro-  
posed, therefore, by the association  
to request legislation making the  
tax collector supreme in his own  
township in the collection of taxes  
with the right to return his rolls  
direct to the Tax Board of Appeals  
for equalization and adjustment.

### Salary Basis Urged

It is proposed that both these  
offices should be taken out of the  
basis of a fixed amount of com-  
pensation for the collector and ex-  
penses for office help, etc. The cost  
of conducting the office would be  
less under this plan and a better  
service could be rendered to the in-  
dividual taxpayer.

With township boards fixing the  
salary of the collector and the as-  
sessor and collecting the amounts  
now fixed by law for this work, the  
saving to the township under the  
association plan can readily be  
seen. Proposed legislation will be  
discussed more in detail later when  
the Legislative and Judiciary com-  
mittees have completed delibera-  
tions.

### Important Service

With a local assessor in charge  
of assessment of property, people  
in the township will have an oppor-  
tunity to present their grievances  
to one who is in a position to give  
them a fair hearing and show  
where the judgment he has handed  
down is fair. In the present situa-  
tion a clerk in the county assessor's  
office has not the time to be as  
courteous as he might desire be-  
cause of the throngs that crowd the  
office to present their differences  
with the assessors.

tical suggestions for cutting down  
expenses.

Mr. Moore's article should arouse  
all citizens, especially parents of  
children of school age to realize  
that many selfish interests are op-  
erating behind the smoke-screen of  
a very desirable movement for pub-  
lic economy.

At least if prominent men wish  
to take the lead in directing pub-  
lic affairs they should be willing  
to run for office so that they  
could be held responsible for their  
acts.

### THE SALES TAX

"A sales tax is bad because it is  
simply one more device to put the  
tax burden mainly on those who are  
least able to pay."—Gov. Pinchot.

## NO MORATORIUM ON AUTO LICENSES

And the Coppers'll Get  
You if You Don't  
Watch Out

Cars without 1933 State licenses  
are to be picked up from March 15  
on, according to instructions re-  
ceived by state police.  
In Arlington Heights, cars with-  
out vehicle licenses are to be picked  
up after April 1.

## RUSH TO PAY TAXES BEFORE PENALTY DUE

Collections Appear Good;  
Await Clearing of  
Checks

Collection of taxes in Wheeling  
and Elk Grove townships took on  
life Friday, and came to a rush of  
business Wednesday morning, Mar.  
15, the penalty date. From now on,  
a one per cent penalty is being col-  
lected with the tax bill.

Collector William Annen of  
Wheeling Township will be at the  
Arlington Heights State Bank this  
week and the most of next. On ac-  
count of holding so many checks on  
near-by banks, not all of which  
have been reopened after the mor-  
atorium, it is not yet possible to  
say whether collections so far are  
better or worse than last year.

Collector William Annen of  
"could hardly handle" the rush of  
taxpayers Wednesday morning at  
the Mount Prospect State bank  
where he holds office hours. He is  
taking checks on all banks that are  
open; on banks not open he holds  
the receipts until the checks clear.

Taxes in Elk Grove can be paid  
at any time until April 1 at the  
Mount Prospect State Bank.

## DOLLINGER & GODKNECHT CANDIDATES

Mayor Oltendorf and W.  
Henning Retire; Two  
Full Tickets

Palatine can expect another  
closely contested village election  
this spring. Two full tickets have  
been filed with A. R. Godknecht  
and W. S. Dollinger as mayoralty  
candidates. Mayor E. H. Oltendorf  
and trustee William Henning are  
not candidates for reelection.

Mr. Oltendorf was first elected  
two years ago and declares that his  
own business interests now take so  
much of his time and he is unable  
to give to the village the attention  
that the position should have. Mr.  
Henning has served as village trustee  
six years which he says is  
enough grief for him.

The other retiring officials are  
Trustee A. R. Godknecht and Trustee  
Martin Plate, who is a candi-  
date for reelection. The two new  
candidates upon this ticket are R.  
Remus and Franklin Oltendorf. Mr.  
Oltendorf has served one year as  
trustee, five years ago. Mr. Remus  
has never before been a village official.

The Dollinger Group  
Mr. Dollinger has as his running  
mates Albert H. Schmidt, Fred  
Shermer and Arthur Mess, men  
well known in Palatine. Mr.  
Schmidt is president of the Busi-  
ness Men's Association, West Wil-  
son street. Mr. Shermer was an in-  
dependent candidate two years ago.  
Arthur Mess has resided in Pala-  
tine all of his life and has never  
before sought public office.

The last day for filing was Tues-  
day and if there are no withdraw-  
als the election contest will be en-  
tirely between the men named  
above.

**No Mudslinging**  
Both groups have emphatically  
announced that there will be no  
personalities and no mudslinging  
in this campaign. The contest will be  
waged entirely upon the principles  
and platforms of the two groups,  
announcement of which will be  
made later.

**Library Board Candidates**  
There are two positions on the  
library board to be filled. Mrs.  
Grace Greener is candidate for re-  
election, while Robert L. Schoppe  
is candidate in place of George H.  
Herrmann who is retiring.

### This Will Be A Thriller

"Lefty" Aldrich challenges Art  
Dieball, engineer at the Village  
Hall, to a water fight. With a 100  
feet of fire hose under full pressure  
"Lefty" is to take the nozzle away  
from Dieball. Price of tickets de-  
pends on the size of the crowd.

## TO ALL CANDIDATES

The printing of specimen bal-  
lots will start Friday. Orders  
placed on that day will cost less  
than later orders. Special prices  
will also apply on candidate  
cards that are ordered this week.  
Early orders will lessen labor  
charges and mean a saving to  
customers.

All prices are based on cash  
payment. A deposit should be  
made with orders, balance pay-  
able on delivery or job. It is  
unfair to make one candidate  
pay for the candidate that  
might forget to pay.

## To Elect Four Commissioners To Park Dist.

Four members of the Board of  
Commissioners of the Arlington  
Heights Park District are to be  
chosen at an election April 4, to be  
held at the corner of the Vail-Davis  
building.

Two members are to be chosen  
for six years. Candidates whose  
names will appear on the ballots  
are Elmer Crane, 626 N. Belmont  
avenue, and George K. Volz, 16 S.  
Evergreen avenue.

For the N. M. Banta vacancy,  
Paul C. Taege, 211 N. Belmont av-  
enue, is a candidate for the E. N.  
Berberker vacancy, William Wind-  
heim, 320 W. Fremont street. These  
terms have four years each to run.  
Mr. Crane was appointed to take  
the place of Mr. Banta until this  
coming election.

Retiring commissioners are Ju-  
lius D. Flentie and Henry C. Klehm,  
both of whom have served since  
June 18, 1925, from the first or-  
ganization of the district.

In order to economize, the elec-  
tion is being held at the one place  
this year. This will save all but  
about one-fourth of approximately  
\$100 it would cost to have the elec-  
tion in the three precincts polling  
places. The policy of the Park Dis-  
trict, which has charge of the rail-  
road parks, is conservative and  
more recently, of retrenchment.  
Their latest tax levy had a reduc-  
tion of ten per cent from the pre-  
vious one. It is one of the few tax-  
ing bodies in the county to have avail-  
able money in a bank.

### Boundaries of the District

The district takes in an older  
and restricted area of Arlington  
Heights Village, much subdivision  
territory being outside; residents  
outside the boundaries may not  
vote.

To trace the boundaries from  
south on Prairie avenue on the  
northeast corner, go westward on  
Euclid, south on Douglas, eastward  
on Miner, south on Prairie, west on  
South street, south on State, west  
on Fairview, north on Highland,  
west on Grove, north on Kennicott,  
west on Sigwalt to a certain sur-  
veyor's line, thence north and back  
to Kennicott north of the tracks,  
east on Oakton, north on N. Ridge,  
east on Thomas, south on Highland,  
east on Oakton to Prairie at point  
of beginning.

## Bank Holiday No Effect on Business to Stores Present Real Values

The general public will use their  
money to buy when goods offered  
are reasonable and prices are low.  
Mr. Hagenbring of the Hagenbring  
5c to \$1.00 Store at Arlington  
Heights found this to be true the  
past week, when he held his  
usual monthly coupon sale, using  
the columns of the Paddock pub-  
lications for publicity. The sale ex-  
tended five days. Customers of  
Saturday totaled over 600 and vin-  
dicated Mr. Hagenbring's belief  
that there is business to be had for  
the store that goes out after it. Of  
course the Hagenbring coupon  
sales are known thruout the entire  
territory covered by the Herald  
and many customers came from  
other towns.

## VOICE OF THE PEOPLE

Enclosed is a clipping that I  
think should be of interest to C. &  
N. W. users.

### Illinois Central Cuts Return Trip Rates

Beginning March 15, reduced  
round-trip suburban fares will be  
offered by the Illinois Central Rail-  
road, it was announced yesterday  
by J. V. Lanigan, passenger traf-  
fic manager.

The tickets will be on sale daily  
between 9:30 a. m. and 3 p. m. and  
will be good on return trains leav-  
ing up to 4 p. m.

The round-trip fare will be 20  
cents between Sixty-seventh street  
and downtown and will graduate  
upward to 30 cents from Harvey  
and Blue Island.

Harvey is very nearly the same  
distance from the loop as is Mt.  
Prospect. The new I. C. round  
trip rate is apparently a bid for  
more "shoppers" business. The  
present shoppers round trip ticket  
from Mt. Prospect is still 80c. The  
same price as in boom times. I  
wonder if the C. & N. W. will ever  
wake up?

O. S. Johnson, Mt. Prospect  
Editors' Note:  
Des Plaines, which is the same  
distance from the loop as Harvey,  
has a round trip in of 70 cents as  
compared with Harvey at 30 cents.  
Arlington Heights round trip  
tickets are 85 cents.

## FILE RIVAL TICKETS FOR VILL. BOARD

Charles Pingel, John  
Firnback Complete  
Flentie List

With the filing of the complete  
Flentie ticket Tuesday morning,  
under the name of the "Regular  
Party," two complete tickets are in  
the field for the Arlington Heights  
village election April 18.

Candidates not previously an-  
nounced are those of Charles Pin-  
gel, building contractor, for the full  
term of two years, and John Firn-  
bach, teamster, to fill a vacancy  
for one year. Mr. Pingel is the  
present building commissioner.

The two tickets are as follows:  
Regular Party: For President,  
Julius D. Flentie; for trustees, full  
term: Walter Krause, Gus Fram-  
berg, Charles Pingel; trustee to  
fill vacancy, John Firnback.

United People's Party: For  
President, Nelson F. Hauff; for  
trustees, full term: George Schae-  
fer, Arthur Weinrich, Otto Wul-  
becker; for trustee, to fill vacancy:  
Elmer Crane.

### Library Board

For the Library Board, nominat-  
ing petitions are filed containing  
the names of Arthur McElhose and  
Lillian E. Russell, present incumb-  
ents.

### Fine Arts Glee Club

To Entertain at Church

The concert by the Fine Arts  
Glee Club to be given at the M. E.  
Church in Arlington Heights, the  
evening of March 31 includes the  
following numbers:  
"Woo Thou Sweet Music," Elgar.  
"O What Delight," from "Fidelio,"  
Beethoven.  
"My Heart at Thy Sweet Voice,"  
from "Samson and Delilah," Saint-  
Saens.

Sextette and chorus from "Lucia  
di Lammermoor," Donizetti.  
A radio broadcast composed of  
popular semi-classical numbers, a  
group of dramatic readings and an-  
other group of songs by the glee  
club and soloists will conclude the  
program.

Admission is free but by ticket  
only. Tickets may be obtained  
from any member of the Fellow-  
ship Class.

## Schools Want Share In Tax Penalty Money

Why should the county alone  
keep all the tax penalty money, in-  
stead of distributing it to the local  
governments and school districts, is  
a question being asked as a bill is  
being sponsored in the legislature  
by Senator Huebsch from Cook  
County (7th District) providing for  
the spread of such penalty tax  
money. Local school authorities,  
in fact the entire Association of  
School Boards, from Cook, DuPage,  
Kane and Lake counties, are eager  
to see the bill pass successfully.

## Schmidt's Food Market Opens with Three - Day Sale

Schmidt's Food Market in its  
new location in the Davis building  
has been receiving many admiring  
glances and much spoken praise  
the past few days. The store offi-  
cially opens with a three day sale  
starting March 16 and continuing  
until Saturday night. A half page  
announcement on page four tells  
its own story about the specials  
that extend thruout the store.

With a light green color scheme  
and new meat counters and fix-  
tures, the store has an airy appear-  
ance. Attractive window display  
of seasonable things to eat, will in-  
duce many a passerby to stop and  
shop.

The new quarters of Schmidt  
Bros., is a credit to the business  
section of Arlington Heights. A  
three piece orchestra will provide  
music Saturday afternoon.

### EDITOR'S NOTE

Political publicity, furnished by  
various political groups, appearing  
in this paper during the present  
campaign is "paid for" and is not  
an expression of the editor. We  
have adopted this means because it  
provides the political groups an  
opportunity to present their "case"  
to the public in uncensored articles  
and provides a source of advertis-  
ing revenue to the paper. There is  
no exception to this rule. Every  
group is on the same footing. The  
space is here for sale.

All such news will be labeled  
"Political Publicity."

### KOPPLIN ASSISTS GRANDT IN SUPERVISOR'S DUTIES

Judge Wm. E. Kopplin is assist-  
ing Supervisor Charles F. Grandt  
this week in looking after the needy  
in Wheeling township. The death  
of his mother-in-law, Mrs. Neu-  
mann, and the illness of his moth-  
er in Wheeling, have temporarily  
and necessarily made extra de-  
mands on Mr. Grandt.

## "BUY HERALD"

This paper is made possible  
by the advertisements of the  
business houses contained there-  
in. Its news quality and news  
coverage depends a great part  
upon the support that it receives  
by the business men. Readers,  
who appreciate a good home  
newspaper, should bear this  
thought in mind when they do  
their buying. If you like the  
paper, patronize the firms who  
advertise therein. We are all  
one big family. Let us help  
each other.

Circular advertising does not  
help make possible a good home  
newspaper. If all advertising  
was carried in circulars, there  
would be no local newspaper.  
Special recognition of advertis-  
ing business houses on the part  
of readers is an aid to commu-  
nity life in more ways than one.

## The Sovereignty of Citizenship

(Political Publicity)  
A good many consistent voters who want to continue in their parties are faced with a perplexity by reason of party affiliation of candidates on various tickets. This affiliation has played an important part in the past State and National elections.

The SERVICE TICKET of Wheeling Township has cast aside party affiliation and has as candidates, men who believe in the old principal "right is right." Any voter who believes in these principles and consults his judgment and his conscience, should not hesitate a moment to vote for men of this type.

Every voter has his civic duties and he cannot, he must not want to evade or shirk them. But there come times when leaders or political groups forget that they do not own the voters and that the people are not their men—on a checker board. In that case, a citizen must remember that he carries his "sovereignty under his own hat," becomes his own party and votes according to his own conscience.

Political parties or political groups transcend above their rights when they try to "cover the conscience of the private citizen, or trap him into such a position that the voter must go back on his principals. By a just unwritten law of freedom, no political party owns the individuals. Loyalty to party becomes a false slogan when the party has flaunted, insulted and trampled upon you, and then demands that you stultify yourself by voting the tickets they fix up for you.

One of the outcomes of a situation of this kind is sure to be a greatly increased number of independent voters, who believe in putting Government above party, and who believe that highest function of Government is to provide opportunity and happiness for its people. Holding high these principals, a

## People Must Realize Importance of Voting

April 4th Is Election Day for Wheeling Township

(Political Publicity)

What happens to the public's interest in civic affairs during the period between presidential elections? The same public spirit should be exercised at all times if our form of government is to succeed. Local governing bodies play an important part in our general scheme of affairs and we should scrutinize the candidates for these offices with just as much care as we do when choosing men for the higher offices.

Economy in township affairs is just as important as it is in any other department of our government and as we are closer to it, there is reason to believe that with a little more attention paid to our civic obligations we could get faster action.

Men of ability and integrity have agreed to give of their time and energy in order that this might come about. Allow your attention to be directed to the men of the Home Rule Party who have declared themselves on the various questions vitally important to the citizens of Wheeling township.

1. Opposition to the Metropolitan Bill. Too much cannot be said about the seriousness of this proposed legislation, which, if enacted would create a Metropolitan Area of Cook county thereby abolishing the very essentials of suburban life.

2. Reduction of taxes, to prepare the township budget with the idea of reducing expenditures.

3. Statement of township finances as required by law. Township books open for inspection to public at all times.

4. To encourage attendance at township meetings.

It is most surprising how few people attend a township meeting. It is surprising because a township such as Wheeling consists of several villages besides the great rural district lying between these villages and yet the attendance is practically nil.

The men of the Home Rule Party want the people of Wheeling township to know what is going on and therefore wish to encourage them to attend these meetings and in order that you might know these men we list their names as follows:

Wm. A. "Mason" Meyer—Supervisor.  
A. C. Russell—Town Clerk.  
J. Fred Meyer—Assessor.  
Phil. Engelking—Collector.  
Herman Garmes—Road Commissioner.  
George D. Davidson, Thurman J. Dodge, James Bailey and John W. Katz—Justice of the Peace.  
Wm. Heinemann, M. H. "Mike" Browne, Anthony C. Hesch, Wm. C. Utpadel—Constable.

Merle Guild Post

Just because we advertised the fact that our meeting would start on Legion time—what do you suppose our oratory comrades went ahead and did—why every last one of them except the Big Dane or the right honorable George D. Davidson, was there on Central Standard Time, well you know George is a Judge and whoever heard of a judge being on time, that is a good judge, and all kidding aside, George is a very fair and just judge.

Gentlemen think of this, it is a modern miracle, all the boys sitting around the clubhouse and hollering for Bill Bockmeyer to start the meeting fifteen minutes ahead of time, can you tie that? If so, where are you?

This time Bill sprung a real army meal on us; however, he redeemed himself by serving some of Mrs. Roth's excellent home made apple pies and "His Majesty" Grigsby gave us a couple of fancy exhibitions on how pie is eaten in England.

Ralph Salisbury is on a furlough from his engineering job in the wilds of Minnesota, and he was our honored guest of the evening. He made his presence known by his support of the stand our post took in dispatching a telegram to Senator Lewis, asking him to support the President in his economy measures, in doing this Ralph showed himself a patriot, because if this measure goes thru all army engineers will get another salary cut. "General" Pope was another of those who spoke favorably in support of this measure.

We talked about our carnival which will be held from July 3 to 8 of this year and it is the hope of your committee to vary the features some this year, which we think is a very good idea.

The village fathers gave permission for our boy scout troop to use the village hall on scout nights and Mike Browne passed out cards for the names of our future Junior Legion members and from those turned in Merle Guild Post will be well represented.

One more thing before station WMLP signs off—how about it, Bill?—putting a light in the preamble to Constitution Sign; a lot of us nearly went cokey trying to read it in the dark.

## SASSY FISH THREATENS HEIGHTS MEN

Will Mayor Accept Challenge?

Like all fishermen, our friend Clyde Young, rector of Arlington Heights, who finds no depression around his Wilderness Camp in the wilds of Ontario's woods and lakes, may be pardoned for possibly a little exaggeration in writing to Mayor Flentje:

Feb. 27, 1933

My Dear Julius:  
Well, Julius, I hope you are well and happy, because I'm not sure whether you will enjoy good health much longer. You see, Julius, it all happened like this:

I was fishing thru the ice today and having caught my limit in trout, was just preparing to leave. There was a mighty shout behind me, coming from the hole in the ice. I nearly jumped out of my snow shoes.

"What ho," says I.  
"Never mind whose hoe," says the thunder voice and I saw it was the largest musky in the world. Now Julius, you have a reputation for skepticism, so you won't believe it, but was you there? No? Well then, he was the biggest musky in the world.

"What do you want?" I asked sort of sore at him for scaring me. "Don't give me none of your lip," he roared, "I'll eat your bait, your fish box and you and your dog and your granddaddy's oven."

Boy, that fish was mad!

—Then he says, "Do you know that guy, Julius Flentje?"

Now Julius, I never liked to admit publicly like that I knew you,

but what else could I do?  
"Ha! Ha!" laughed the musky, and Julius, it was a dirty laugh, too. He threshed the water with his tail and beat the ice with his head till all the ice in all the lakes broke up.

After I got over my scare, I got to cogitating as to the size of bait it would take to land this fellow. I compromised with myself and decided the Cook County Herald's printing press should be quite attractive as a teaser.

Well it's a long story. This fish claims that you are catching his cousin's cousin's children in Potter Lake and Lake Zurich. He ended up by saying if you ever came up here he would eat the boat out from under you.

He cracked his teeth together so loudly it was heard 68 miles away

in Emo. The game warden came up to see who was shooting out of season.

Now Julius, I am warning you not to come up here, but a guy like you won't keep away, I suppose. So when may I see you?  
Yours, Cy

## School Children Served During 21 Years on Board

Twenty-one years ago, when Geo. Klehm first became a member of the school board in Arlington Heights, about the first thing he assisted upon putting through was a new boiler and additional radiation in the old school building. He managed to have weather strip put on the two east rooms of the new school; as it had been necessary at times to dismiss school on account of cold and snow coming in. Drafts and rattling of windows had annoyed teachers and pupils on other rooms as well, but shortage of money was a big excuse those days.

Mr. Klehm took out a number of maple and box elder trees from his school grounds by means of his stump puller, from the east, west and north sides and made plantings of his renowned Moline elms. These were planted about 15 years ago, and some are now about 12 inches in diameter.

He also raised the issue of purchase of three and one-half lots north of the school and two lots and house west of the school, which were bought all for less than \$7,000. Mr. Eugene Berbecker, who had acquired the two lots and house, was asked by Mr. Klehm what he wanted for the property, and Mr. Berbecker replied that for school purposes he would sell it at exactly what it cost him. A few days later, Mr. Berbecker had the figures, \$3,856.25, which was what the school board paid him for the property.

Then when new pavement was put in the neighborhood, Mr. Klehm had the school grounds filled and graded. Much planting of shrubs and perennials on grounds of the north and south schools, has been done gratis by Mr. Klehm, who is a professional nurseryman.

Always a fighter for the children against sentiment that would consider the money angle first, after these and other items of service to the children, Mr. Klehm is retiring from official connection with the board after twenty-one years of uninterrupted service. The children and parents of Arlington Heights owe him a debt of gratitude for what he has done.

## ELK GROVE SCHOOL, DIST. 59

All connected with Elk Grove school are justly and very indignant at the deliberate breaking off of all the young trees so carefully set out and cared for on the school grounds. This vandalism occurred Feb. 28, the occasion of the bunco and dance.

We are sorry to lose the Henry Wille family, who moved to Elmhurst. The Flueger family occupy the Wille home on Elmhurst road. Edward Van Meter has moved also to join his mother in Chicago. We shall all miss our County Superintendent, Mr. Olin.

Mr. O. F. Aken visited us last week. He brought spelling words for Harold Schoo, our spelling contestant.

Edward Wagner is busy studying "A Century of Progress."

Some of the girls are busy making health posters. Eleanor Nelson completed "The Door to Health."

Francis Flueger and Gladys Landmeier are finished with "Pleasant of Fresh Air." Irene Schoo is busy making a "Health and Joy" poster.

## IN MEMORIAM

In fondest remembrance of my dearly beloved daughter, Mary Helmen, nee Behlendorf, who departed this life March 19, 1921. If only in dreams I could see her. Dear face if only dreams I could clasp her dear hand so true. If only in dreams I could hear her say Dear Mother I am waiting. Waiting for you; but the old Heartache clings as the years Go by as I struggle against the tide But the clouds will lift and Brightness will come when They lay me down by her side. Mrs. Sarah Behlendorf, Her Lonesome Mother and Family.

## Easy Cleaning

Perhaps the most satisfactory way of cleaning bronze is to first immerse the article to be cleaned in boiling water and then rub with a soft cloth dipped in yellow soap-suds. Polish with a soft dry cloth.

## BOWLING NEWS

### KEHE MOTOR WIN TWO, TAKE LEAD FROM ARL ELEV.

A promise was made

The boys came thru:

Offer us another Ray.

And see what we will do

After leading the league most of the way the Arl. Elev boys seem to be tiring out a bit and are now in second place. After Monday night bowling, when the Kehe Motor Truck Drivers took them for two games and take position of first place. Ray Becker, Geo. Winkelmann and Boss Fred Kehe, himself, were the big shots on the Kehe team, all getting over 600 John Ottogre of the Elev. boys got himself a 245 game to take the \$200.

On alleys 3 and 4 we think the most exciting games were bowled this year, when the last place Arlington Recreation five and the Winkelmann Dairy Boys were having it out for last place. All records were broken by the Arl. Recreation five except the high single team game, which the Mueller boys are holding up to the present time. Al. Carlson rolled 693 to take first in high individual series, while his teammates were helping him roll a new high three game series with 3008, and when you find out why they did it. (ask any member of the Rec. team.)

On 5-6, the Sterling Oil boys were taking the Arl. Beverage boys for 2 games, which puts the last four teams only 1 game apart.

Team standing.

## Observer's Notes

A jig saw puzzle? We are it. Who can place each on in to fit? Angles, triangles, cubes and cuts, to solve into sharp jig saw cuts; to solve who rightly sets us in, in Fane's great hall a place shall win; One who brings harmony to crown, In peace this jig saw puzzle town.

Easy to diagnose our individual differences. How can we agree with any one who persists in disagreeing with us? Yet what a jig saw puzzle we do present to others.

A bright young friend brought me a pretty fragrant blossoming plant. When I came into the room where it is blooming the spicy, sweet odor greets me and I think of that kind friend and her kindly deed. If only we could all be remembered by our thoughtful acts, as fragrant flowers exhale sweet odors; so should we in the atmosphere of our presence scatter the fragrance of bountiful thoughts.

Surely these are turbulent times. A man who, for the past twenty years, as reporter and broadcaster, has handled the news of his time, says that in all his twenty years experience, he has never known so much startling amazing news crowded into the limit of a week as has been within the time since March 4.

Happy days? Yes, here they come with this new moratorium, keeping safely in the bank, all your dough, and all your swank. Now, here comes another tip from our high dictatorship, a new edict to cancel debt. Soon to be broadcast. Don't you fret, all I owe you, and you owe me, will be wiped out, clean as can be. Though we may not quite understand just what I mean, "O, ain't it grand?"

It does seem a bit discourteous to call on A. returns to help us light "A Century of Progress" just for an advertising scheme when we have so long neglected to be neighborly. Isn't it marvelous the things we have? Nothing seems impossible.

Think back forty years and see the difference in today. Yet we thought we could do mighty things even then. No autos, no flying machines, no radio and yet the things we do not know and have not yet attained, are far greater than we already know, yea, God will yet give us to know.

Wonderful things are being accomplished here in our own town by our citizens trying to help themselves. We spoke last week of the intelligent way Mr. Peter Thomas and his family are making use of the things we do not know and have not yet attained, are far greater than we already know, yea, God will yet give us to know.

In this class set bright, Mr. and Mrs. Bunn, who have used the possibilities within their reach and bravely kept out of the bread line. Mrs. Bunn filled her house with boarders when they were here to board; Mr. Bunn established a new line of collecting garbage, which still runs with success. Out on a country place they are "up and doing." Valiantly making the most of things in hand.

Mr. Bunn tells us they have 25 white rock hens from these they have gathered 783 eggs since January first. They are on a little farm, now courageously looking forward to gardening. Keeping up the good fight with the Bunn family morale, yes "Make the best of what you have and the least of what you have not," according to Seth Parker. See it work!

At a recent quilt and home needle work exhibit among the many beautiful bed coverings to be seen was one with circling flocks of butterflies on a pretty back-

ground, an artistic and well designed and wrought out piece of work. The one who made this quilt related the way she came to see the pattern in her mind, and was prompted to work it out. It was a touching, a pathetic tale of her memory of a sister's care and love. Here it is, as it was given to me.

The "bedtime" covers for the night Were hung in brilliant colors Bright: In garlands, wreaths and shining stars. Some stitched in older times afar; Intricate patterns, skillful made. Were never here at once displayed.

Along the crowded aisle we went, Admiring each with gay comment. A friend came to me from the line, And said, "I want to show you mine."

Close by it hung a lovely scheme As if it were a summer dream. There on a ground-like sunlit skies Flitted gay flocks of butterflies.

'Twas thus her pattern grew, From memories that her childhood knew; A sister grown to womanhood, Cared for her and the younger brood; While they beneath bright summer skies, Ran free, to chase the butterflies;

And now that older sister lies Suffering and never more to rise, Thinking in tender memory She visioned all this quilt might be Wrought out with butterflies to hold Her sisters form in tender fold. While the gay wings about her there, Would speak of well remembered care, Thus her skilled fingers loving wise Embroidered flocks of butterflies. The zephyrs of this tale reveal A sister's love, memory's appeal, A pathos that bedimmed our eyes, Seeing those brodered butterflies.

French chambers of commerce own their origin to the city of Marseilles, where in 1559 the town council, which had hitherto looked after the commercial interests of the city, found it no longer possible to combine commercial with municipal functions, and established an association, which it called the "Chamber of Commerce," to take up the commercial part of its duties. This seems to be the first time that the title was used.

The Dietrichs write from Pasadena Saturday, March 11: "You are no doubt getting particulars of the disastrous shake in Southern California, most severe in Long Beach, Compton sections. Damage here in Pasadena is of minor character, some broken windows.

The main shock at 5:54 p. m. gave one the feeling of riding in a boat. The earth moved in wave-like motion, trees moving and houses trembling. Later tremors at 9 p. m. evidently stopped both of our clocks. Of course, we are thankful for our escape, but deeply deplore the loss of life and property.

We have been unable to get in touch with Long Beach folks who, without doubt, were seriously endangered. We thought you would be interested in getting this message. Sincerely the Dietrichs, Pasadena, March 11, 1933.

## NEW POLITICAL PARTY

During the past few weeks several meetings were held by approximately fifty citizens representing different sections of Arlington Heights, the purpose of which was to organize a new political party.

After some discussion the United Peoples Party was chosen as the name for the new party, for the reason that those present were formerly affiliated with various parties.

Mr. J. C. Jones was chosen as temporary chairman and Mr. Elmer Crane as secretary. Mr. Jones asked for nominations. A number of names were suggested as logical candidates for the various offices to be voted on at the election to be held April 18, 1933. A ballot was taken which resulted in the following choice: Nelson F. Hauff for president of the village

board. George Schaefer, Arthur Weinrich and Otto Wulbecker for trustees and Elmer W. Crane as trustee to fill the vacancy created by the resignation of Trustee Nelson F. Hauff. The petition as required by law was filed with the village clerk on March 7.

This organization intends to hold open meetings to which the public is invited, dates of which will be announced from time to time.

## Eastern Star Chapter Hold Anniversaries

### ARLINGTON HEIGHTS CHAPTER 3 YEARS OLD

Arlington Heights Chapter, O. E. S. celebrated its third birthday anniversary, March 9. Many members of the chapter and of chapters from neighboring towns attended. During the meeting an escort was formed by the officers for the "Daddy" of the chapter, Bro. Geo. K. Volz; and also for all of the charter members who were present. The officers carried crepe paper streamers of the five colors, blue, yellow, white, green and red. Edward J. Meyers, past worthy grand patron, who instituted Arlington Heights Chapter was elected to honorary membership on this birthday night.

At the close of the meeting a group of the members presented a skit entitled, "Arlington-Dors Deestrick School" under the direction of William Kopplin, Mrs. Mary Meyer and Mrs. Emma Laurin. The scene was laid in a school room and Bro. Kopplin officiated as school master. Those persons taking the parts of school girls were: Emma Laurin, Clara Carlson, Jennie Carlson, Carla Erhet, Inez Ihle, Myrtle Frey, Della Hertel, Lillian Wolf and Helen Tuttle.

The boys of the class were: Fred Erhet, Herman Meyer, Geo. Volz, Charles Pankonin, Nat Carlson, Jim Hauff, Elmer Laurin and Geo. Davidsen.

The characters were well portrayed and everyone had a delightful time. Sister Georgiana Pankonin, worthy matron, had extended an invitation to Arlington Heights Lodge No. 1162 A. F. & A. M. to attend the entertainment and a large number of the members were there.

Refreshments were served in the dining room and the tables were prettily decorated in green and white. A birthday candle set on a paper shamrock burned at each place.

At the close of the next meeting to be held, March 23, Bethel No. 38, Order of Jobs Daughters will exemplify their work. The worthy matron has again invited the members of Arlington Heights Lodge, A. F. & A. M. to attend.

### PALATINE CHAPTER IS 26 YEARS OLD

A short program followed the regular meeting at which Miss Ivah

Oltendorf gave a reading, Marion Jahn a clarinet solo, accompanied by Edward Hahnfeldt.

Among the guests were many former members from Arlington Heights. A birthday luncheon with cakes and candles followed with St. Patrick decorations about the dining room. This was one more happy evening of the year.

Oral Keller, who appreciated the publicity she wrote for the Shrine, and other help during the year. Our Scribe, Hannah Billings, was also escorted and thanked for the assistance she gave, and for the beautiful quilt she made, which realized a nice sum to our treasury. Soj. # Progressives Name Meyn Budlong, Niebuhr, Carlson To Run For Village Board

## Party Caucus Officially Opens Campaign For Incumbents; Platform Left to Party Officers; Progressives Confident of Continued Control Based Upon Record of Board; Tatge to Run Again for Police Magistrate.

(Political Publicity)

The regular annual caucus of the Progressive party of Mt. Prospect was held Monday night at the Community hall. The hall was filled to capacity with a crowd of interested citizens numbering over one hundred in all. President Johnson called the meeting to order promptly at 8:30, and explained that the meeting was called for the purpose of giving all supporters of the party the opportunity of participating in the nominations of candidates which the party would offer to the voters at the election on April 18th. A complete ticket was nominated and all of the candidates were each given the unanimous approval of all those present, and are as follows:

For President of Village Board—Herman F. Meyn.

For Trustees—Dudley Budlong, Walter Niebuhr, Arvid Carlson.

For Police Magistrate—Geo. Tatge.

In renominating Mr. Meyn, the party voiced its approval of his administration for the past four years. Mr. Meyn was nominated by Mr. Gaul, who paid high commendation to the mayor for the ability he has shown in handling the affairs of the village during the difficult period gone thru the past four years.

Mr. Budlong was also nominated for a third term on the strength of his record of service and efficiency. Mr. Budlong has an exceptionally clear grasp of all village affairs, and it was felt that his continued presence on the board would be an asset to the entire village.

Mr. Niebuhr was nominated for a second term, also on the strength of his past record. Mr. Niebuhr has served one year on the village board, having been elected last year to fill the unexpired term of former trustee Flesch.

Mr. Carlson, one of the large new group of newer people in the village, was selected as an outstanding member of that group. He is an accountant for a large insurance company in Chicago, has a keen mind and pleasant personality, and it is felt that he will contribute greatly to the strength of the board. (He is the father of twin boys).

In nominating Judge Tatge, again the party gave due recognition to his past experience, and record for fairness and good judgment. He has made many friends for the village by his ability to enforce the law with a smile.

A number of talks were made by Mr. Meyn and present and past trustees, on the conduct of the village for the past four years. It was emphasized that the Progressive party is proud to stand on the record of its members in office, and will ask the support of the people for its candidates on the basis of a continuation of that record.

Due to the fact that there has been some criticism of the board, voiced by a so-called "Tax-Payers" committee (consisting of Wm. Busse, John Pohlman and Henry Beigel), some very enlightening facts were presented, by the mayor, and Trustees Budlong, Gaul, and Gould. It was pointed out that all the above members of the "Tax-Payers" committee are former members of the village board under the old Busse administration, and none of them have ever voluntarily come to a board meeting and offered to help the present administration in any constructive way. In these men really had the interests of the village at heart they could have gone to the elected officials at any time with suggestions or requests for information, and they would have received courteous attention. Instead of that they have chosen to attack the board from the outside, and under the protecting cloak of a "Tax-Payers" committee.

It was stated by the Mayor that

For the benefit of the people of the village a detailed account of figures mentioned in the paper last week were given and are reproduced herewith:

Veterans of Foreign Wars

A Saint Patrick's Day party is planned for our next meeting which will be this week Friday evening, March 17, at the home of Mrs. Christ Busse, Emmerson and Busse avenue. Let us make this a 100 per cent attendance.

Come, whether you missed previous meetings or not. You will be assured of a most pleasant evening. The entertainment for the evening is to be a surprise and it is up to all you members to be present and enjoy the St. Patrick's social evening. Come on, all you members! Let's remember there is much work to do for our disabled veterans, their dependents, and the widows and orphans. We need every member to help carry on to make life seem worth while to those poor crippled wrecks of humanity, occupying beds and wheel chairs at our government hospitals. Let's forget ourselves and think of the other fellow. It is for his sake, for his families sake, and for the sake of the widows and orphans of the veteran that has passed on, that we will push ahead and let them know that we exist. If other duties keep you busy, at least devote yourself to the meetings and bring your ideas and listen to others. We all wish to do our share and it is doing a great deal if you are present. Those who come in daily contact with the many difficult problems of the veteran in need, appreciate full well the fact that the care of widows and orphans requires more than mere dollars expended by the federal government, can ever hope to provide. Human sympathy and intelligent understanding can never be replaced by generous budgets. Pensions and compensation checks may purchase the physical necessities of life but they are poor substitutes for the gentle spirit of tolerance and genuine affection from those who understand. We will continue to dedicate our efforts of cooperation and assistance to the welfare of America's disabled veterans and to the widows and orphans of those who have answered the final roll call. In the words of Abraham Lincoln, we pledge you that from those honored dead we take increased devotion to that cause for which they gave the last full measure of devotion. We are highly resolved that these dead shall not have died in vain.

**EDITOR'S NOTE**

Political publicity, furnished by various political groups, appearing in this paper during the present campaign is "paid for" and is not an expression of the editor. We have adopted this means because it provides the political groups an opportunity to present their "case" to the public in uncensored articles, and provides a source of advertising revenue to the paper. There is no exception to this rule. Every group is on the same footing. The space is here for sale.

All such news will be labeled "Political Publicity."

## IN MEMORIAM

In memory of Elmer Katz who passed away March 4, 1933. Mild and gentle, as he was brave. When the sweetest love of his life he gave. To simple things, where the violets grew. Pure as the eyes they were likened to. The touches of his hands have strayed. As reverently as his lips have prayed. When the little brown thrush that harshly chirred, Was dear to him as the mocking-bird. And he pitied as much as a man in pain; A writhing honey-bee wet with rain I think of him still as the same, I say He is not dead—he is just away. John C. Katz and Family.

# Citizens Party Formed; Andresen Candidate For Village Board President

## John B. Martin, Walter Bach and Edwin Haberkamp Candidates for Village Trustees on "Economy" Platform; Lueders Runs for Police Magistrate; Taxpayers Committee Endorses Party Platform and Candidates.

(Political Publicity)

Formation of a Citizens party was announced Tuesday of this week when a complete ticket of candidates under this banner filed their intention of running for office with Village Clerk Edwin L. Busse.

Gustave A. Andresen, 414 S. Wille street, heads this new party's ticket as candidate for president of the village board of trustees in opposition to the incumbent, Herman F. Meyn.

John B. Martin, Edwin Haberkamp, and Walter Bach are the candidates for trustees. Frank Lueders is candidate for police magistrate.

Coincident with the announcement of the candidates of the Citizens party the Taxpayers committee officially announced full endorsement of the party, the candidates and the platform, which is published in full elsewhere in this newspaper.

Mr. Andresen and Mr. Bach ran last year for positions on the village board.

According to the official statement issued by the Citizens party, the candidates are introduced as follows:

Mr. Andresen: A resident of Mt. Prospect for four years. A property owner, owning his home at 414 S. Wille street. He is treasurer of the Interstate Clay Products Co., with offices in the Builders' building, Chicago. Mr. Andresen has been very active in civic affairs. He served as chairman of the special committee of the Improvement Association which sponsored a general mass meeting, one of the biggest ever held here, to acquaint all citizens of the facts about the Grifenhagen report which recommended consolidation of Cook county governmental organizations. Mr.

Andresen is a member of the Parent-Teachers' Association and has been active in church work. He is a member of the Community church.

Mr. Martin, who lives at 315 S. Wa Pella, has been a resident here for 2 years and owns his home. He is manager of the contract drilling department of the Sullivan Machinery Co., a world-wide organization with offices in Chicago. He has served 8 years with this company and prior to that time was associated with subsidiaries of the company. Before his work with the Sullivan Machinery company, he was in charge of machine operations for the Pure Oil Company of Texas, serving that company in Alaska, Canada, South Africa, England and in this country in Texas and Oklahoma. He is a member of St. James church of Arlington Heights.

Mr. Bach, who has lived at 105 William street for the last six years since he has been a resident of Mt. Prospect, has been employed by Sears-Roebuck & Co., for the last 15 years as Assistant Supervisor of employees sales. For several seasons he was manager of the Mt. Prospect baseball team. He is a member of St. Paul's Lutheran church and a member of the board of St. Paul's Christian Day school.

Mr. Haberkamp operates his own greenhouse at Central and Elmhurst roads which he acquired from his father, Henry Haberkamp, in 1929. He had previously worked for his father some 15 years. He has lived in Mt. Prospect ever since he was a boy three years of age. He is a member of St. Paul's church.

Mr. Lueders came to Mt. Prospect Jan. 1, 1933 as general sales manager of the Mt. Prospect Development Association for the Busse Eastern division. He served

in this capacity to 1928 when he became resident sales manager for the Lonnquist Co., which he served through 1930.

In 1925 he was first elected justice of the peace in Elk Grove township and in 1929 he was reelected for another four year term, which he is completing this spring. He was a member of the committee which planned the first public playground in Mt. Prospect. He has also served as executive secretary of the Cook County Justices Association. He is a member of St. Paul's church.

Petitions were signed for these candidates during the last few days. They have all pledged to act up on the planks in the party platform if elected, to effect a reduction in taxes here and especially a reduction in the present cost of vehicle licenses and the water rates.

IN THE OLD DAYS women washed alone. Every week they spent arduous hours bent over a washboard, scrubbing dirt loose from grimy clothes... twisting out rinse water with arms that ached.

But modern wash-days are different. Home laundries are now equipped with electric washing machines that hum as they work. A switch is snapped—and clothes are quickly swished clean in hot sudsy water that hands hardly have to touch. Another switch starts a motor-driven wringer to turning! Washing isn't a day-long ordeal any more. It's easy to have everything out blowing on the line in two short hours.

**SPECIAL DURING MARCH**

We're featuring two outstanding washing machine values this month—the new Conlon and the new Thor. Both have firm-belt agitator action, modern swinging wringers, easy-to-clean enamel tubs and many other features. Specially priced during March at only **\$49.50** \$2.50 down and \$4.20 a month—cash, only

AT PUBLIC SERVICE STORES AND OTHER LOCAL DEALERS

"Behind the scenes" of this modern home laundry is an interesting picture. Actually, hundreds of men are helping with the washing. A complicated system of service is operating. Conveyors are feeding tons of crushed coal into boilers. Powerful turbines are roaring. Miles of copper wire, deep underground and high overhead, are alive with electricity. Turn a switch any time, day or night, and this electricity goes instantly to work for you.

In the average home in northern Illinois it costs just a fraction over a cent to run a washing machine for an hour. And electricity speeds through other once-tedious chores just as economically—sweeps carpets for less than a penny an hour—irons clothes for less than a nickel an hour. It roasts bread, bakes waffles, heats chilly corners, brings bright cheerful light to every room for a trifling sum.

In spite of the great variety of uses to which it is put in every home, the cost of this electric service is only a small portion of your family budget. Have you ever tried to figure where else you can get more comfort and convenience?

# Theatre Notes

## Warner Baxter at the Roosevelt

Warner Baxter, popular screen star, is at his suave, romantic best in "Dangerously Yours," his latest production now at the Roosevelt Theatre. In the role of charming society jewel thief, Baxter makes it seem almost a pleasure to be robbed.

Miriam Jordan, who made her screen debut opposite Baxter in "Six Hours to Live" is again his leading lady in this picture, and has the role of a girl detective who sets out to trap the fascinating Robin Hood, only to discover that she herself has been ensnared by her affections.

Herbert Mundin, popular comedian who comes rapidly to the fore in a number of pictures each year, also has a prominent role. He is Baxter's partner in crime although he masquerades as his man-servant.

# Gloria Swanson At United Artists

In her first dramatic role since "The Trespasser," Gloria Swanson comes to the United Artists Theatre in "Perfect Understanding," her latest film.

The story concerns an American girl who falls in love with the son of an English peer, but the two are afraid of marriage because of the obvious unhappiness of several of their married friends. However, they do become man and wife, and the pitfalls occur almost immediately. The marriage drifts perilously near the rocks, but in the end a "perfect understanding" is reached and happiness is attained.

# Watch for "White Sister," Starring Helen Hayes and Clark Gable

Two of the greatest personalities on the American screen are to be starred for the first time in "The White Sister" which is coming soon to the Oriental Theatre. They are Helen Hayes, winner of the recent Motion Picture Academy award, and Clark Gable, universally conceded to be the talkies' outstanding idol.

In "White Sister," Miss Hayes plays the role of an aristocratic Italian girl who turns down the suitor of her father's choice in favor of a young officer in the Italian air force. When notified of his death at the front, she enters a convent. The story rises to a sensational climax when the lover returns and finds the girl's religious vows an obstacle to his happiness.

# Crabbe Shows Speed in "King of the Jungle"

Fastest swim of his life was made by Buster Crabbe in his latest "Lion Man" in "King of the Jungle" thriller now in its second week at McVickers Theatre.

Crabbe, holder of world's records for several aquatic events, and member of the 1928 and 1932 U. S. Olympic Swimming Teams, unofficially broke all records, he claims, while the camera ground out one particular sequence.

For it was one in which Crabbe jumped into the water just two seconds before a roaring lion, and attempted to reach the opposite bank before the lion reached him. He succeeded.

# MAE WEST AT CHICAGO

Mae West, the flaming "Diamond Lil" of stage and screen fame will be on the stage of the Chicago Theatre the week starting Friday, March 17.

Miss West's last appearance on a Chicago stage was her "Diamond Lil" characterization in the play of the same name. In the interim between that time and her coming appearance at the Chicago, she has been busy in Hollywood making pictures. After two pictures she advanced herself to a starring role.

In her stage appearance, Mae will sing some numbers that old Mae West style "putting over" a song as only she can. Then in addition she will present a dramatic comedy sketch in which she will reveal her skill as a comedienne. Ed. Lowry, Chicago's favorite dispenser of joy, will be prominently present during the joyful proceedings on the stage and will lend a talented hand thereto.

On the screen will be presented "Grand Slam," a comedy treatment of the American bridge craze, with its tournaments and championship contests, its battles and its bickerings. Its dialogue is snappy and sparkling while the action is filled with uproariously funny situations.

#### WARDEN LAWES COMMENTS SCOUTING

Scout Executive Nintz, of the local boy scout council, calls attention to the following endorsement of scouting by Warden Lewis E. Lawes of Sing Sing Prison, N. Y.: "It gives me pleasure to again earnestly endorse the Boy Scout movement, which is the safest kind of insurance against unlawful and anti-social vocations that result in tremendous financial burdens to the taxpayer."

"Scouting develops character in boys more surely than any other activity, and the almost complete absence of former scouts in Sing Sing during recent years is proof sufficient that these boys are not easily tempted into unrighteous paths. Boy Scouts and other similar boys' club membership means protection against delinquency, a reasonable guarantee of honorable manhood, and every parent owes it to his children, if possible, to permit them to take the Scout Oath, which is seldom broken."

Warden Lewis E. Lawes, Sing Sing Prison, N. Y.

#### Calendar

Administrative committees of the local scout council are to meet next week to discuss problems and map out an ever enlarging scout program for local lads. A five-unit training course to open the week following Easter will be the training objective, and the completion of the organization plans for the Scouting Club will occupy the thought and action of that group.

The coming first aid contest to be staged at the Community church in Park Ridge, Friday evening, April 7, and the Annual Spring Rally, tentatively set for the week-end of May 6, will probably be major topics. Arrangements for participation of local troops in scout activities to a Century of Progress this summer will be brought up. With the membership of the Northwest Suburban Council at the highest figure in the history of the council, 680, this committee plans to reach even more boys with the Boy Scout program.

#### Scouts to Demonstrate First Aid Skill

The coming first aid contest for scouts of the Northwest Suburban Council and an ever increasing enthusiasm on the part of the scouts themselves promises a very interesting occasion April 7. Teams of scouts at the gymnasium of the Community Church of Park Ridge, will vie in problems of first aid. Each team will consist of four scouts, any one of which may act as leader. Competition will include four problems to be judged by representatives of the American Red Cross First Aid organization. The winning team will become the holder of the President's Trophy for one year. They will represent the council in the Chicago Area Contest at University of Chicago April 21. Troops already entered include:

Troop 15, Lincoln School P. T. A., Niles Center; Troop 23, American Legion Mt. Prospect; Troop 26, Sharpes Corner's P. T. A., Niles Center.

Other troops grooming teams include: Troop 7, Arlington Heights Lions Club; and Troop 9, Palatine Boosters Club.

#### Reorganize Troop 5, Boy Scouts to Meet At Village Hall

Merle Guild Post, American Legion, who have sponsored Troop 5 for several years, have made arrangements with Wm. A. Miles, district scout commissioner, for the reorganization of this troop. The troop is very fortunate in having Mr. Gus Zimmerman for the new scoutmaster. Mr. Zimmerman is an outdoor man with many years experience in scouting and is considered an ideal man for this important place.

The village board have very generously made it possible for the troop to have the village hall on Friday nights for their meeting place, which overcomes a serious handicap the troop formerly had in not having an adequate place for their weekly meetings. The American Legion Home will be open to the boys as their headquarters and club rooms for patrol meetings, etc. There are many boys in Arlington Heights who should make the most of this opportunity to become active in scouting, and it is hoped the parents of the boys will cooperate in getting the boys started. Let's all get behind this troop to bring it up to the place of honor it formerly held.

#### Palatine Loses Opener

(Game No. 1)

Palatine and Barrington opened the district tournament play Wednesday night as the first of a four game program, with only a small portion of the huge crowd that later filled in present.

The Bronchos made it three out of four games this year against the Pirates by setting them down to the tune of 22-17.

Grabenkort, Barrington center was the high scorer for the game and it was his one hand push shots that connected early in the game to give his team the lead. He scored three more in the course of the game and made good on three free tosses.

Paddock, Hindrichs and Kuhlman, Palatine trio of fighting guards, were chiefly responsible for holding Barrington in check as none of the Pirate forwards could locate the basket with the exception of Reuse, who accounted for a lone field late in the last quarter.

Hindrichs and Paddock, besides holding the Barrington forwards in check, each accounted for two baskets, all well executed. Kuhlman tossed in a neat short shot and these points plus a quintet of free throws were all the Pirates could muster for the evening.

Beerman aided Captain Grabenkort with three baskets and a free throw. Both teams employed a beautiful passing game, but both seemed unable to penetrate deeply into the other's defensive zone. Every one of the Palatine forwards were forced to hurry their shots, which was probably largely responsible for so many shots "hesitating" and then rolling out.

#### Grant 30—Ela 18

(Game No. 2)

Grant Community High School, located at Ingleside, put up a fast passing game to defeat Ela 30-18. Watson and Clemenson were the best ball handlers for the victors, the latter collecting six baskets. Weight, Lohman and Beckman featured the play for the losers.

#### Waukegan 31—Deerfield 11

(Game No. 3)

Waukegan, with a team of three tall lads and two short, fast floor workers had a complete run-around with a heavy Deerfield-Shields five, running up a 25-6 score before withdrawing the regulars. Final score Waukegan 31; Deerfield 11.

#### Niles Center 19—Warren 18

(Game No. 4)

Niles Center, a three year high school and a new comer to this district, sprang a big surprise Wednesday night when they eliminated the strong Warren team. The game was close all the way but the finish

was a grand spurt with the lead being in Niles Center's favor at the sound of the gun 19-18.

#### Antioch 18—Wauconda 17

(Game No. 5)

Antioch's Indians had a close call with the Wauconda team eking out an 18-17 decision.

The losers were unable to stop Antioch's big chief Keulman and at the same time failed to capitalize on Coach Reed's boys frequent fouling.

#### (Game No. 6)

Maine's blue shirted quintet almost upset a superior Evanston team, by sheer pluck and a desire to win. The spirited play of the Des Plaines - Park Ridge boys against a team admittedly their superior, brought many cheers from the one thousand or so onlookers that attended the opening night games.

The loss of their center Nelson, who played a whirlwind game until evicted on too many personals to begin the second half was in the main largely responsible for the Evanston victory.

The Evanston team, caught by surprise, had difficulty in regaining their poise. Final score, Evanston 26; Maine 25.

#### Arlington 19—Libertyville 29

(Game No. 7)

Arlington's Cardinals took an early 4-0 lead over the Libertyville boys but it was erased very shortly when Chard, Wildcat center tipped in one of Duddle's field goal attempts. This was followed by a long basket by Gould, a guard, to tie the score. Time was taken out by Arlington. Duddles for Libertyville sank a short shot to give his team the lead and from then on the game was all Libertyville's although the Cardinal team continued to make a battle out of it.

Libertyville held a 15-9 lead at half time on baskets by Eiserman and Rouse.

Pingle's two baskets kept the Arlington team on the heels of the Wildcats. Substitutes for Libertyville were able to more than hold their own with a fighting but outlasted Cardinal team. Couvresse's two baskets aiding in bringing the final score to 29-19 in favor of the Wildcats.

#### Barrington Wins Over Grant

(Game No. 8)

Barrington found little difficulty disposing of the Grant Community high team in the first game Friday evening, every one of the regulars scoring baskets in the 26-19 triumph.

Clemenson and Watson, two clever forwards carried the fight to the Bronchos, the former collecting two baskets while the latter sank four baskets and two charity counters to keep their team close enough behind Coach Clark's boys to prevent any let down in the Broncho speed.

It didn't take Coach Brown's Waukegan team long to run up a sizable score against the team of fighters that Niles Center sent over to Libertyville.

Those Nagode Brothers were just too tall for the much shorter Niles Center lads, while that speed Martinez, lightning Mexican forward on Waukegan's five sank four baskets as his opening bombardment.

Early in the game, the Waukegan regulars were withdrawn and the game was considerably improved as

the Niles Center boys were able to hold the reserve five much better.

#### Antioch Fought But Lost

(Game No. 10)

Evanston encountered much trouble in the first half against an Antioch team that was neither outplayed or outfought. The North Shore conference champions held a slim two point advantage at half time. The second half found the Antioch Indians tiring rapidly. With the loss of three of their starting lineup due to four fouls, the Evanston five ran up a big score in the last quarter, the game ending 51-16 in favor of Evanston.

#### Evanston and Waukegan Winners in Semi-Finals

(Games 11 and 12)

Evanston and Waukegan found it a very easy task to cope with Barrington and Libertyville in the semi-final games Saturday afternoon. Coach Hampton's Evanston team treated the Barrington Bronchos to the same 51-16 drubbing that they administered to Libertyville Friday night.

The Libertyville Wildcats fared somewhat better against Waukegan, the latter winning 31-19. The Libertyville boys had enjoyed a much longer rest than Barrington due to drawing a bye so much was expected of them. Northwest conference fans were proud of both teams, however, as Waukegan and Evanston both have about as nice a team as has represented these two large high schools in many years.

#### Libertyville Takes Third

Libertyville, following a vain afternoon attempt to eliminate the fast Evanstonites, came back in the opening game Saturday night to take third place honors from a tired and badly bruised Barrington team.

Playing without the aid of Bierman, who suffered a severe knee injury in the Waukegan game, Barrington was helpless against the Martin coached team who seemed too much relaxed after their loss to Evanston. Chard, lanky wildcat center spelled defeat early in the game for Barrington when he tipped in seven field goals, to give Libertyville a 16-2 lead at the quarter.

Baskets by Eiserman, Duddles and three by Gould increased the Wildcat lead to 27-4 at half time.

Libertyville's substitutes finished the game for the Tournament center team against the revised lineup the Barrington Bronchos collected four baskets, three by Grabenkort and a "loner" by Christensen which with eight free counters accounted for their sixteen points. The Wildcats annexed thirty-five.

Coach Paul Clark of Barrington was unable to guide his team in the Saturday semi-final games due to scarlet fever quarantine. His son, Bobby, came down very suddenly with the disease Saturday morning.

#### Libertyville Good Hosts to Visitors

Superintendent H. E. Underbrink and his corps of assistants deserve the thanks of the entire northern district for the splendid manner in which the district tournament was conducted.

This was Libertyville's first district tournament and after the excellent treatment accorded to all their guests, we believe this will prove to be a boom which will bid well for many more tournaments for Libertyville.

In the persons of Mr. E. Lieberman and Mr. S. E. Le Gault, we were fortunate in obtaining an excellent job of officiating. It was a pleasure to note the manner in which these two gentlemen conducted the game—always in the background, yet ever in complete control. Their decisions were accepted by the crowd without question. Many nice comments were to be heard in all parts of the spacious Libertyville gym concerning the manner in which the tournament was handled.

#### Waukegan Champions

Two thousand howling cage fans saw Waukegan, with one of the finest high school basketball teams in the state, defeat a speedy Evanston team in as fine an exhibition of prep basketball as one could wish to see, to cap the Libertyville District title, Saturday night, 35-27.

One glance at the score by quarters below will only half tell the story of this battle between two of the finest teams it has been our privilege to see compete in a district final for many years.

The game was won by Waukegan by their supremacy at the free throw circle as each team accounted for an even dozen of field goals. It wasn't an especially "on night" for the Waukegan team, for they have yet to meet defeat this season; having scored impressive victories over some of the finest prep teams in the land.

While teamwork featured the play of both aggregations, the excellent all-around ability of Williams, star forward de-luxe on the Waukegan team, studs out. His deadly eye enabled him to sink seven of his team's twelve baskets, while adding four free throws to make a grand total of 18 points for the game.

Greenslade, of the Evanston team was close behind with 14 points, on seven baskets.

#### C. A. C. Girls Beat Lombard

The Community A. C. Girls won from the Lombard Blue Streaks Monday night at the Methodist gym. The local girls scored first and gradually forged ahead in the opening quarter. Turning on the power in the second quarter, they led 19-4 at the half. Substitutions slowed up Arlington in the third quarter, but as soon as the new players found their bearings the march continued. The final score was 38 to 10.

Flashy play by starting players and substitutes alike marked the whole game. J. Parke scored four baskets in the first half before retiring with a bruised hand. Bolte played a fine, aggressive game and was rewarded with ten points. Diederich's eleven points made her high point for the evening. The play of M. Parke was fine, although missed shots kept her score down. Weinrich moved up to forward and connected twice from the floor.

For Lombard Colby and Handle scored all the points. Kelly, at center until the personals piled up, played a good floor game. Colby was easily the star of the team.

Arlington controlled the ball during most of the game, securing 40 shots to the opponents' 10 during the first half and 73 to 24 during the whole game. The C. A. C.'s also hit a higher percentage, getting 22 per cent to 17 for the Blue Streaks. The game was well officiated, with little unnecessary roughness tolerated.
